**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Both major providers in my area - AT&T and Comcast - provide inferior Internet service (slow and unreliable) at very high prices. The smaller provider Sonic.net provides many times faster and much more reliable service at half of their price. Broadband is critical for my work as a translator. Sonic telephone service is also much more competitive than that of AT&T and Comcast.

PLEASE, support the broadband competition!
